your questions answered!

Get a **weekend away** from Cambridge to meet new people and relax in countryside. **Everybody** is welcome: whether you are a member of CGS or not; any faith; any nationality.

Where will we stay?

Ringsfield Hall, Suffolk, is a warm **Victorian** country house with a fabulous open **fireplace** and 14 acres of woodland, meadow, pasture, ponds and **gardens**! Close to the breath-taking **Norfolk Broads** and the awesome Anglian **coast**, this place is beautiful!

What will we do?

There'll be two evenings of delightful **entertainments**, **delicious** dinners, folk dancing, games from around the world... and more! You'll wake up to **fresh**, healthy breakfasts and nice cups of **tea**. On Saturday, we'll visit the **sea-side**! You'll be able to play frisbee or **tennis**. Or **relax** in a comfortable armchair, in front of a **roaring** fire. All **activities** are optional... If it takes your fancy, there will be times for Bible study, prayer and worship. We will **leave** at 4pm Friday and **return** at 5pm Sunday. **Alternative** arrangements are possible.

I want to sign up now!

Places are limited so **act immediately**! The weekend will cost **£50** per person, including food, travel and lodging. If you are genuinely unable to afford this, a limited number of bursaries may be available (email for more information). Also, if you can drive others in your car to Ringsfield Hall, you get a **massive** discount!
